July 27, 2007

HUD PIH employees – Send us questions you have regarding the change to Asset Mgmt!

This e mail is being sent to you from AFGE HUD Council 222's Asset Management committee members: Sharon A. Scott in Pittsburgh, Juan Evereteze in Boston, and Craig Vandervort in Kansas City. On behalf of Council 222, we met with Debra Hernandez, Deputy Assistant Secretary for Public Housing while attending the National Labor Management meeting the week of June 18, 2007 in Washington D.C. She told us that the pilot FOs would not begin operating under Asset Management until after the beginning of FY 2008. Full implementation at all FOs will not be until some time after implementation at the pilot FOs.

Ms. Hernandez told us that she understands why PIH employees are concerned about the transition to Asset Management. She plans to discuss how Asset Management will be implemented during one of the weekly conference calls. She asked us (the Committee) to gather a list of ten (10) questions that PIH employees have regarding the change to Asset Management so that she can try to directly address these concerns. We are sending you this e-mail to ask you to send us your questions regarding the implementation of Asset Management in PIH. Please submit your questions through your local Union President to the following e-mail address: sharon.a.scott@HUD.gov

Please respond by August 6, 2007. Your assistance is appreciated.

Thank you.

*Sharon A. Scott
Juan Everetez
Craig Vandervort*
