Re: U.S. Department of Housing and Urban
Development and American Federation of
Government Employees, Council 222, AFL-CIO;
Case No. WA-CA-22-0450

Dear Caroline B. Quill:

Enclosed is a copy of the Notice to Employees (NTE) that the Federal Labor Relations Authority has directed the Agency to post in the above case (any hard copies must be on legal-size paper). The Agency should immediately post the NTE as directed by Judge Richard Pearson's June 25, 2024, Decision and Order. In addition, the Agency should immediately distribute the NTE by email as directed in the Decision and Order. The message of the email transmitted with the NTE should state: "We are distributing the attached Notice to you pursuant to the June 25, 2024, Decision and Order of the Federal Labor Relations Authority in Case No. WA-CA-22-0450." Please note that the Agency must comply with the terms of the NTE, including negotiating in good faith with the Union regarding the FHA Resource Center Modernization Project, Phase 1.

Please notify Attorney Elizabeth Wiseman as soon as the Agency posts and distributes the NTEs, and when it has taken the actions required with respect to bargaining with the Union. You can reach her at ewiseman@flra.gov or at 771-444-5789. The Union should be served with copies of your compliance correspondence to the Region.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jessica S. Bartlett".
